1. Source: Department of Home Affairs
2. Includes both primary and secondary applicants.
3. Data represents the number of applications on hand at point of time.

Caveats:

- This information is provided for the specific purpose of this request.
- Regarding Immigration data, the Department's current policy is to mask numbers which are less than five as <5.
- Current program year figures are subject to variation. The data is sourced from our global Departmental systems. There can be delays in transmission of information, therefore data for current program year should always be considered provisional.
