

DEPARTMENT OF IMMIGRATION AND BORDER PROTECTION NOTICE

No.2016/19

Luxury Car Tax Threshold and Fuel Efficient Vehicle Limit – Changes

This Notice is to advise of the increases in the luxury car tax (LCT) threshold and the fuel-efficient car limit for the 2016-17 financial year.

The Australian Taxation Office (ATO) has determined that from 1 July 2016 the following are effective:

- LCT threshold \$64,132 (increased from \$63,184)
- Fuel efficient car limit \$75,526 (increased from \$75,375)

The increased LCT threshold and the fuel-efficient car limit advised in this Notice supersede those advised in Australian Customs and Border Protection Notice No. 2015/20.

The Integrated Cargo System will be amended to reflect the LCT threshold and fuel-efficient car limit increase.

Further information on:

- Fuel efficient cars is available from www.infrastructure.gov.au
- LCT is available from www.ato.gov.au
- Exemptions from LCT is available from www.border.gov.au
