250mm x 300mm

Perfect For Use On:

- The BBQ - Plates, Grills, Hood Warming Racks, Rotisseries, Wok-Burners, Utensils, Shelves & Storage Cabinets.
- Interior Health Grills & Sandwich Presses.
- Public BBQs.
- Camping Trips.
- Cooking Surfaces before and/or after cooking.

- **Powerful Cleaning Nodules** scrub through built up grime without scratching surfaces.
- **Cleans & Absorbs** BBQ grease and grime.
- **Tough & Robust** wipes won't break up on your cooking surface.
- **Quick & Easy** clean before or after you cook.
- **Healthier BBQ Surface** reduces the spread of germs.
- **Everday use.**

Selleys BBQ Tough Wipes are an effective, quick and convenient way to clean your BBQ every time you use it.

They are perfect for BBQ surfaces - the cleaning nodules loosen and power through tough dirt whilst the strong cloth traps the grime and absorbs grease, leaving a fresh, clean and healthier cooking surface.

Easy & Convenient To Use:

1. Open resealable lid.
2. Slowly peel back the resealable sticker.
3. Pull out a wipe from the pack.
4. Using wipe with 'nodule' side down, wipe over plates, grills & other dirty surfaces to scrub, clean & absorb the grease and grime.
5. Reseal the sticker and close the lid to keep remaining wipes fresh and ready for next use.
6. No need to wipe dry, just heat up your BBQ then start cooking!
7. Dispose of the wipe in the rubbish bin

Handy Hints:

- One or two wipes required per BBQ cleaning session. More wipes may be required if BBQ is very large or very dirty.
- Grease will be easier to remove if the BBQ is slightly warm. Warm the BBQ, turn it off, ensure it is cool enough to touch, then clean.
- For tougher baked on dirt, Selleys BBQ Tough Clean 400g is recommended.

Safety Directions:

Keep out of reach of children.

Ingredients:

Water, Ethanol, Parabens, Surfactant and Fragrance.
