

DEPARTMENT OF IMMIGRATION AND BORDER PROTECTION NOTICE

No. 2015/44

From 1 January 2016, Import Processing Charges (IPCs) will be restructured and implemented under the *Import Processing Charges Amendment Act 2015*.

These changes were announced by the Government as part of the 2015-2016 Commonwealth Budget. The restructured IPCs are cost recovery based and are aimed at improving the integrity of the border while removing cross-subsidisation and delivering efficiencies to industry.
