Jurisdiction: ACT Policing

There are two commitments relating to reporting the use of information-gathering powers under the scheme:

- a. Section 20 of Schedule 1 of the *Proceeds of Crime Act 2002* (the Act) – The Commissioner or head (however described) of a participating state/territory police force must give the Minister a written report in respect of each financial year that contains information on how many times they have used the production orders/notices to financial institutions.
- b. Section 4.2 of the Intergovernmental Agreement on the *National Cooperative Scheme on Unexplained Wealth* (the IGA) – As soon as practicable after 30 June each year, relevant participating State or Territory party agencies must provide an annual report to the responsible State or Territory Minister on the use (if any) by the agency of the investigative powers reporting on the number of times that the powers were used by that agency.
