**AMSA RCC SAR 2013/7376, Vessel requesting assistance approx 145nm north-north-east of Christmas Island: SITREP 2 as at §47E(d), Thursday 07 Nov 2013**

1. RCC advise they have an updated position of the vessel requesting assistance which is now believed to be §47E(d) north-north-east of Christmas Island.
2. The vessel was reported to be underway at heading in a south-south-easterly direction at approximately 5 kts.
3. The Australian Defence Force asset and the Customs and Border Protection asset continue to respond to the incident in support of the RCC.
4. Further information will be provided as operational circumstances dictate.
5. This SITREP contains information about ongoing BPC operations and is provided to you under Section 16 of the Customs Administration Act 1985 for the purpose of your agency's functions. The information must not be further circulated within your agency except on a need-to-know basis and must not be disseminated to a third party without the prior permission of BPC.

**Subject:** AMSA RCC SAR 2013/7376, Vessel requesting assistance approx 145nm north-north-east of Christmas Island: SITREP 1 as at s47E(d), Thursday 07 Nov 2013 [DLM=For Official Use Only]

**AMSA RCC SAR 2013/7376, Vessel requesting assistance approx 145nm north-north-east of Christmas Island: SITREP 1 as at s47E(d), Thursday 07 Nov 2013**

1. At approximately s47E(d) today, the Rescue Coordination Centre (RCC) advised Border Protection Command (BPC) that they had received a call from a male person in Indonesia advising he had a friend on board a vessel that had departed Jakarta for Christmas Island.
2. The vessel was reported to have "stopped working".
3. s47E(d)
4. Positional information gained places the vessel in a position approximately 145nm north-north-east of Christmas Island, s47E(d)
5. There are no indications at this time as to the number of people on board the vessel.
6. RCC have coordination and have assigned AMSA SAR 2013/7376 to the incident.
7. s47E(d)
8. An Australian Defence Force asset and a Customs and Border Protection asset have been released to this SAR incident and are responding.
9. Further information will be provided as operational circumstances dictate.
10. This SITREP contains information about ongoing BPC operations and is provided to you under Section 16 of the Customs Administration Act 1985 for the purpose of your agency's functions. The information must not be further circulated within your agency except on a need-to-know basis and must not be disseminated to a third party without the prior permission of BPC.

Subject: AMSA RCC SAR 2013/7438: Vessel requesting assistance approx. 16NM from Christmas Island, no direction given: SITREP 2 as at s47E(d), Sunday, 10 Nov 2013 [DLM=For-Official-Use-Only]

AMSA RCC SAR 2013/7438: Vessel requesting assistance approx. 16NM from Christmas Island, no direction given: SITREP 2 as at s47E(d), Sunday, 10 Nov 2013

1. At approximately s47E(d) today, a Border Protection surveillance asset, operating under the control of BPC, detected a vessel which possibly correlates with the vessel relating to SAR 2013/7438. The BPC asset located this vessel approx. 45NM north-east of Christmas Island.
2. The vessel was heading south at 4 knots. There are s47E(d) people visible on the deck and no sign of smoke.
3. BPC remains postured for any further operational response and will provide additional information as operational circumstances dictate.
4. This SITREP contains information about ongoing BPC operations and is provided to you under Section 16 of the Customs Administration Act 1985 for the purpose of your agency's functions. The information must not be further circulated within your agency except on a need-to-know basis and must not be disseminated to a third party without the prior permission of BPC.

Island, no direction given: SITREP 1 as at s47E(d), Sunday, 10 Nov 2013 [DLM=For-Official-Use-Only]

AMSA RCC SAR 2013/7438: Vessel requesting assistance approx. 16NM from Christmas Island, no direction given: SITREP 1 as at s47E(d), Sunday, 10 Nov 2013

1. At approximately s47E(d) today, the Rescue Coordination Centre (RCC) advised Border Protection Command (BPC) that they had received a call from Western Australian Police, who in turn had received a call from a person claiming to be on the vessel in distress approximately 30km (16NM) from Christmas Island.
2. The caller on board the vessel did not give a direction and reported the engine was broken and on fire.
3. s47E(d)
4. s47E(d)
5. A Border Protection Command asset has been released to this SAR incident and is responding.
6. The RCC have accepted coordination of the incident and SAR 2013/7438 refers.
7. Further information will be provided as operational circumstances dictate.
8. This SITREP contains information about ongoing BPC operations and is provided to you under Section 16 of the Customs Administration Act 1985 for the purpose of your agency's functions. The information must not be further circulated within your agency except on a need-to-know basis and must not be disseminated to a third party without the prior permission of BPC.
