DECISION RECORD

Request Details

FOI Request FA 14/01/00185

File Number ADF2014/957

Scope of request

We therefore, instead seek the release of the following information:

- The place of origin of the 181 individuals listed in Appendix 2 of the AHRC's report An age of uncertainty.

- In this instance, 'place of origin', refers to the village, island and Indonesian province from which the individual originates.

BACKGROUND:

Information sought

We are writing to you regarding the Australian Human Rights Commission (AHRC) Inquiry, An age of uncertainty, the report of which was released in 2012.

We note that of the five case studies referred to in Appendix 1, four of the individuals originated from the Indonesian province of East Nusa Tenggara.

We note that Appendix 2 noted 181 individuals of concern to the inquiry. The data in the table was provided by the Department of Immigration and Citizenship and the Australian Federal Police. Appendix 2 is accessible online at <https://www.humanrights.gov.au/publications/age-uncertainty-appendix-2>

In previous correspondence, the Australian Lawyers Alliance has been informed that the place of origin of individuals from Indonesia charged with people smuggling is not tabulated in any systemic format, but remains confined to individual files. We were previously informed that our FOI application lodged late last year, which sought the release of information pertaining to place of origin of Indonesians charged with people smuggling offences from 2008 to 2013, was too wide an ambit, and that we would need to provide individual cases in order to be able to receive such information.

Documents in scope

1. Departmental electronic records extracted from client files – containing 177 folios.

Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate departmental records.

Information considered

people our business

6 Chan Street Belconnen ACT 2617

PO Box 25 BELCONNEN ACT 2616 • Telephone: 02 6264 1111 • Fax: 02 6225 6970 • www.immi.gov.au

In reaching my decision, I have considered the following:

- ✓ The *Freedom of Information Act 1982*;
- ✓ Departmental files and/or documents (identified above);
- ✓ The Australian Information Commissioner's Guidelines relating to access to documents held by government;
- ✓ The Department's FOI Handbook

Reasons for decision

My decision, in relation to three of the individuals listed in the attachment you provided, is to refuse access under section 24A(1) of the Act.

I have been unable to locate any documents relating to these three individuals that would provide the information that you seek access to. My reasons are set out below.

I have undertaken the following searches to identify the documents you have requested being for individuals DER026, DER024 and HWD059:

- Searched the following departmental databases:
 - Integrated Client Services Environment (ICSE)
 - ICSE Offspring
 - TRIM – the department's record management system
 - Business area group drives.

I am satisfied that all reasonable steps have been taken to search for the documents and that the documents do not exist.

In relation to the remaining 178 individuals listed in the attachment you provided, my decision is to release the relevant information you have requested in full.

Deletion of exempt or irrelevant material under s.22 of the FOI Act

Section 22(2) of the FOI Act provides that, where an agency reaches the view that a document contains exempt information or material that is irrelevant to the request **and** it is possible for the agency to prepare an edited copy of the document with the irrelevant or exempt material deleted, then the agency must prepare such a copy.

This edited copy must be provided to the applicant. Further, the decision maker must advise the applicant in writing that the edited copy of the document has been prepared and of the reason(s) for each of the deletions in the document (s.22(3) of the FOI Act).

Exempt material is deleted pursuant to s.22(1)(a)(i) and irrelevant material is deleted pursuant to s.22(1)(a)(ii) of the FOI Act.

I note that the scope of your request is quite specific in only requesting the '*village, city, province that people originated from (i.e. place of birth)*'. For this reason I have deleted any other information in the documents other than what you have specifically requested under s.22(1)(a)(ii) of the FOI Act. Where you will see deletions applied in the 'Place of Birth' boxes, this is where the individual has provided more information other than the village, city or province.

Please note I have left in the documents generic questions for which there would be no harm in releasing although these generic questions could also be considered as irrelevant to your scope. However, any information that could be considered operational or instructional, I have removed as irrelevant as you did not seek access to this information as part of your request therefore I have not turned my mind as to whether an exemption may have applied or not.

The attached Schedule of Documents identifies where material has either been deleted as irrelevant to the scope of the request.

6C Requirement for Commonwealth contracts

- (1) This section applies to an agency if a service is, or is to be, provided under a Commonwealth contract in connection with the performance of the functions or the exercise of the powers of the agency.
- (2) The agency must take contractual measures to ensure that the agency receives a document if:
 - (a) the document is created by, or is in the possession of:
 - (i) a contracted service provider for the Commonwealth contract; or
 - (ii) a subcontractor for the Commonwealth contract; and

- (1) An agency or Minister may refuse a request for access to a document if:
 - (a) all reasonable steps have been taken to find the document; and
 - (b) the agency or Minister is satisfied that the document:
 - (i) is in the agency's or Minister's possession but cannot be found; or
 - (ii) does not exist.

22 Access to edited copies with exempt or irrelevant matter deleted

Scope

- (1) This section applies if:
 - (a) an agency or Minister decides:
 - (i) to refuse to give access to an exempt document; or
 - (ii) that to give access to a document would disclose information that would reasonably be regarded as irrelevant to the request for access; and
 - (b) it is possible for the agency or Minister to prepare a copy (an *edited copy*) of the document, modified by deletions, ensuring that:
 - (i) access to the edited copy would be required to be given under section 11A (access to documents on request); and
 - (ii) the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request; and
 - (c) it is reasonably practicable for the agency or Minister to prepare the edited copy, having regard to:
 - (i) the nature and extent of the modification; and
 - (ii) the resources available to modify the document; and
 - (d) it is not apparent (from the request or from consultation with the applicant) that the applicant would decline access to the edited copy.

Access to edited copy

- (2) The agency or Minister must:
 - (a) prepare the edited copy as mentioned in paragraph (1)(b); and
 - (b) give the applicant access to the edited copy.

Notice to applicant

- (3) The agency or Minister must give the applicant notice in writing:
 - (a) that the edited copy has been prepared; and
 - (b) of the grounds for the deletions; and
 - (c) if any matter deleted is exempt matter—that the matter deleted is exempt matter because of a specified provision of this Act.
- (4) Section 26 (reasons for decision) does not apply to the decision to refuse access to the whole document unless the applicant requests the agency or Minister to give the applicant a notice in writing in accordance with that section.
