FA 18/06/00238

2. Subclass 476 Visa

Response:

No 476 visa applications were granted under the ANZSCO Minor Group category of '233 Engineering Professionals'.

4. Subclass 485 Visa

4.1.1 In a previous FOI request (FA 18/02/00796) it was revealed that in 2016-2017, there were no visas granted to applicants with an occupation falling under ANZSCO classification '233 Engineering Professionals'. Please explain the reason why apparently no engineering graduates were granted this visa, when thousands were granted the subclass 476 and subclass 485 (Graduate Work Stream) visas.

Response:

Two tables were provided in response to FA 18/02/00796 as follows:

- 485 – Graduate Work Stream
- 485 – Post Study Work

Overall, 745 visas were granted to applicants with an occupation falling under ANZSCO classification '233 Engineering Professionals', although none were granted under the Post-Study Work Stream.

4.1.2 If engineering graduates were in fact granted this visa, please provide the following information for engineering disciplines with these Australian Standard Classification of Education (ASCED) codes: 03 (Engineering and Related Technologies), 0301, 0303, 0305, 0307, 0309, 0311, 0313, 0315, 0317, 0399.

Response:

The Department does not capture data classified by the Australian Standard Classification of Education (ASCED).

Caveat: This information has been provided for the specific purpose of this request. The Department of Home Affairs must be consulted regarding any requests to use this data for purposes not originally intended or discussed.
