Freedom of Information (FOI) request - Access Decision

On 02 May 2019, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following documents:

I am currently doing a Master degree research project in Bond University regarding the counterfeit market in Australia. I noticed that before 2016 the ACBPS reports showed how many counterfeit seizures were in Australia and how much they valued. I realized that since 2016 ACBPS became DIBP. In the DIBP's annual reports, the part about intellectual property has been taken away.

Therefore, may I know whether you have the statistics regarding how many counterfeit product seizures there were in Australia and how much they valued in the financial year 2015-16, 2016-17 and 2017-18?

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.
