Notes:

1. This information is provided by the Department of Home Affairs and was extracted from departmental systems on the dates outlined below. As data has been drawn from a dynamic system environment, the information is correct at the time of publication and figures may differ slightly from previous or future reporting.
2. Offshore data was extracted from departmental systems on 08 July 2019.
3. Onshore data was extracted from departmental systems on 01 July 2019.
4. Applications lodged in one program year may not be finalised in the same program year. Therefore, data relating to lodgements and finalisations (grants and refusals) in a program year cannot be directly compared.
5. The offshore component reports on an applicant's country of birth and the country of birth of the principal applicant is applied to secondary visa applicants. The onshore component reports on an applicant's citizenship.
