

Detention, Regional Processing and Community Reporting

Children in Held Detention

According to Departmental systems data as at 08 July 2019, there was **six** children in held detention facilities.

Note:

- *Information is based on departmental systems data as at 6am 09 July 2019.*
- *The Data has been drawn from a dynamic system environment and is correct at that time, but may differ slightly from previous or future reporting.*
- *There will be occasions where minors transit through immigration detention due to airport turnarounds, people who are in the final stages of removal from Australia, the interception of illegal foreign fishers or due to criminal or security issues.*
- *The Department of Home Affairs will continue to work to resolve matters involving children and their families as quickly as possible.*
