**YOU WILL NEVER SET FOOT IN AUSTRALIA**

The Australian Government announcement to resettle refugees fleeing the conflict in Syria and Iraq has no impact on Australia's policy to stop people attempting to travel to Australia illegally by boat.

- Australia will only resettle those refugees who are registered by the UNHCR and who are currently in Jordan, Lebanon and Turkey. These places will not be provided to anyone arriving in Australia illegally by boat.
- If you travel to Australia illegally by boat you will never be able to work in Australia and send money home.
- Any people smuggling boat attempting to enter Australian waters, or travel to New Zealand through Australian waters, will be detected, intercepted and safely removed.
- Do not believe the lies of people smugglers.

The Operation Sovereign Borders policy has **NOT** changed or softened.
