How many North Korean nationals have been deported from Australia?

Between 1 July 2010 and 31 August 2019, there were six North Korean nationals* removed from onshore immigration detention. All of the six removals from onshore detention were voluntary removals.

* Citizenship is based on the individual's citizenship at time of removal
- Data from 1 July 2010 to 30 June 2019 were extracted from Departmental systems on 9 July 2019 and data from 1 July 2019 to 31 August 2019 were extracted from Departmental systems on 10 September 2019. As data has been drawn from a live systems environment, the figures provided may differ slightly in previous or future reporting.
