FOI Request: FA 18/11/00306

File Number: ADF2018/222721

Dear [Redacted]

Freedom of Information (FOI) request - Access Decision

On 6 November 2018, the Department of Home Affairs (the Department) received a request for access to document under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following document:

- 1) *The total cost of transferring all children from Nauru to Australia for medical treatment, including the cost of health and hospital treatment and any return trips back to Nauru, from January 2017 to November 2018.*
- 2) *Please include the total number of transfers this figure relates to.*

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access document or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the document to which you sought access

4 Document in scope of request

In relation to part 1 of your request, the Department does not hold an existing discrete document that contains the data you are seeking.

The Department has considered whether it can extract the data in accordance with section 17(1) of the FOI Act. The obligation for retrieving or collating information stored in a computer system arises if:

- the agency could produce a written document containing the information using a computer or other equipment that is ordinarily available to the agency for retrieving or collating stored information, and
- producing a written document would not substantially and unreasonably divert the resources of the agency from its other operations (s17(2))

The Department is unable to extract data that would be to the level of detail you have requested. As such, I am satisfied that the Department is not required to extract this data under section 17(1) of the FOI Act.

In relation to part 2 of your request, the Department has used its computer system to produce one document in accordance with section 17 of the FOI Act that contains information that falls within the scope this part of your request. The data produced in this document existed in the possession of the Department on 6 November 2018 when your FOI request was received.

5 Decision
