**Letter of support**

s22(1)(a)(ii)

**TO WHOM IT MAY CONCERN**

As Mayor of the City of Ipswich, it gives me great pleasure to provide a letter of support for s22(1)(a)(ii) bid to gain permanent residency in Australia.

Since s22(1)(a)(ii) has worked and lived within the Ipswich, after emigrating from s22(1)(a)(ii) During that time they have been gainfully employed, contributed to the community, upskilled and made every endeavour to gain the necessary prerequisites they believed would qualify them for permanent residency.

s22(1)(a)(ii)

s22(1)(a)(ii)

Underlying all of these mitigating circumstances is of course the uncertainty of their residency status.

s22(1)(a)(ii) has come to me seeking my assistance in whatever way possible. In my role as Mayor I come across people from all walks of life at a Local Government level and advocate on their behalf to a State and Federal level where feasible.

I believe s22(1)(a)(ii) to be an asset to the community and have no hesitation in recommending s22(1)(a)(ii) be given the opportunity to stay in Australia and continue s22(1)(a)(ii) life here.

If you have any further queries, please do not hesitate to contact me as I am keen to support the family.

Yours sincerely

**Mayor Paul Pisasale**
