Hi s. [REDACTED]

I expect that it will be possibly the Secretary or Deputy Secretary from Home Affairs who will attend, so not myself or Anna.

With regards to the follow-up meeting propose we set aside a half-day (from 10 am) on 26 April 2018, if that would suit you?

Kind Regards

Andrew

Hi Andrew,

We received a meeting request from a delegation including s. 22(1)(a)(ii) [REDACTED]

“... senior advisers from his office, senior executives from the Department of Home Affairs and the Consul-General.. “ for April 20th in Cupertino. We are working with the Consulate in US to arrange, will Ana or anyone from your team be joining this group?

I wanted to check in to see if we have a time (or idea of morning or afternoon) for our follow-up deep dive with legal and technical folks on April 26th?

Best,

s. [REDACTED]

The general consensus here is that a meeting in the week commencing 23 April would be preferable (noting that 25 April is a public holiday).

Thanks

Anna, s. 22(1)(a)(ii) [REDACTED] Andrew,

Thanks again for making the time to meet with Apple to discuss the encryption law. Two things for you:

s. 22(1)(a)(ii) [REDACTED]

2) April Follow-Up?

We discussed possibly having a meeting with your legal team and technical advisors in the same room (along with our legal and technical team) s. 22(1)(a)(ii)

Our team is looking at the week of 4/16-4/27 - any chance this works for you? If this is not acceptable, we are open to alternative dates.

Thanks for the open communication and have a great weekend!
