Dear [REDACTED]

Freedom of Information (FOI) request - Access Decision

On 17 January 2019, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

[REDACTED] (the applicant) has authorised you to receive correspondence on their behalf about their FOI request. In this letter, references to 'you' relate to the applicant.

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following documents:

All documents relating to the movement of boat No. 599 [REDACTED] which arrived in Australia on 17 March 2013.

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request
- the documents relevant to the request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the documents to which you sought access

4 Documents in scope of request

The Department has identified two documents as falling within the scope of your request. These documents were in the possession of the Department on 17 January 2019 when your request was received.

5 Decision

The decision in relation to the documents in the possession of the Department which fall within the scope of your request is as follows:

- Release two documents in part with deletions

6 Reasons for Decision

Detailed reasons for my decision are set out below.

6.1 Section 22 of the FOI Act – irrelevant to request

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

Documents 1 and 2 are documents which contain information that goes beyond the details of the boat no. 599, which you are seeking under your FOI request. I consider that this additional information is outside the scope of your request, and therefore not relevant to your request.

I have therefore decided that parts of documents marked 's22(1)(a)(ii)' would disclose information that could reasonably be regarded as irrelevant to your request, and have therefore prepared an edited copy of the documents, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

The remainder of the documents have been released to you as they are relevant to your request.
