s. 22(1)(a) and I have been looking at setting the SkillSelect invitation numbers for the 2018-19 program year for subclasses 189 and 489(f) now that we are moving from bi monthly to monthly invitation rounds.

Could you please confirm the total number of invitations to issue in this 2018-19 program year, and we will use that figure to set the monthly invitation round numbers for subclasses 189/489(f) towards meeting the overall yearly invitation numbers.

Dear SMOG members

As discussed at the recent SMOG meeting, the Department can confirm final allocations for 2018-19 State/Territory and Regional Nominated (General Skilled Migration) nomination ceilings. You will find the final nomination ceilings in the table below.

Also, please note that a final decision on nomination ceilings for the Business Innovation and Investment Program is pending.

Final allocations in State/Territory and Regional Nominated considered the following factors:

- The submissions from state and territory governments, including the rationale for requested ceilings
- The renewed focus on regional migration and the desire to alleviate population pressures on major cities
- Past delivery across states and territories
- The need for fairness in allocations
- The underlying economic and labour market conditions in each state and territory

Allocations are outlined in the table below:

	2018-19 FINAL ALLOCATIONS FOR STATE/TERRITORY AND REGIONAL NOMINATED
NSW	5250
Vic	3200
Qld	1500
WA	800
SA	4000
Tas	2500
NT	1000
ACT	1400

Nomination ceilings have now been entered into SkillSelect. Should you require any changes to your allocations during the program year, please note that this will now be subject to ministerial approval. Please factor this requirement into your timeframes.

It has been a pleasure working with you all over the last two years and thank you for your ongoing engagement on these important issues.

Attached are emails in relation to SkillSelect invitation rounds for 2018-19 program year.

The Department of Home Affairs manages invitation rounds each month after careful consideration of the current processing pipelines, resourcing and totals already invited. Each invitation round can vary accordingly.

Information on the number of invitations issued for Skilled Independent visa (Subclass 189) and Skilled Regional (Provisional) visa (Subclass 489) (Family Sponsored) from July 2018 to February 2019 is available on the Department of Home Affairs website, at: <https://immi.homeaffairs.gov.au/visas/working-in-australia/skillselect/invitation-rounds>

The following visas require nomination by a state or territory government:

- Skilled Regional (Provisional) subclass 489 (state or territory nominated)
- Skilled Nominated (Permanent) subclass 190

State and territory government agencies can view Expression of Interests (EOI) in SkillSelect and nominate intending migrants where they meet the passmark of 65 points or more. Where a state or territory government nominates an intending migrant, an invitation to apply for a visa is then issued via SkillSelect.
