Thank you for suggesting that we work closely on synchronised messages to our staffs. I think that this is an important and necessary first sign that we will work on this machinery change in a positive and collegiate manner. Rachel is just refining our draft message (with inputs from her Deputy colleagues). She will revert soon.

I look forward to working with you and Chris, under the umbrella of the whole-of-government implementation process, in the weeks and months ahead.

Regards,

MP
