As discussed earlier today, I am attaching some changes to the draft Ministerial Direction s34(3)

As we discussed, the Department is providing formal advice to you in a Ministerial Submission that will be signed by both the Secretary and the Commissioner of the Australian Federal Police. This will give you confidence that as per the legislative requirement, the Commissioner and the Secretary have been formally consulted.

Hi s. 22(1)(a)(ii)

Please find attached a Ministerial Submission concerning a draft Ministerial Direction to Australian Federal Police Commissioner for Minister Dutton's consideration.

The Ministerial Direction makes it clear that the only matter at issue is ensuring that a journalist or news media organisation is considered for investigative action for a possible breach of the law in the context of an unauthorised disclosure of national security material under the proposed Ministerial Direction s34(3)

s34(3)

A copy will be formally provided through PDMS.

Apologies about the delay. Happy to discuss.
