Note the table provides a count of all grounds associated with a cancellation and is not a count of individual cancellations. A cancellation may have multiple grounds associated to it and as a result the figures may not match with those provided through other reporting products.

*A visa may be recorded as cancelled more than once. An example of a visa being recorded as cancelled more than once is if the visa is cancelled, the cancellation is subsequently revoked or set aside, and then the visa is cancelled again. A cancellation may be revoked or set aside for a number of reasons, including further legal proceedings, and administrative or jurisdictional errors, etc. Duplicates may exist.
