Seeking information regarding statistics divided by people who:

- 1a) Have come to Australia on a visa, and
 - 2a) Have obtained citizenship whilst in Australia on a visa,
- and the type of visa they had once they entered into contact with the department (type of temporary visa) or had before obtaining citizenship.

Response:

- The total number of suspected victims of human trafficking, slavery, or slavery like practices in South Australia known to the Department for the period **1 January 2017 to 1 August 2020**, is at [Table 1](#) below. These figures represent both non-citizens and Australian citizens who have been referred to the Support for Trafficked People Program (STPP) by the Australian Federal Police. Data on suspected victims of trafficking referred to the STPP is provided to the Department of Home Affairs by the Department of Social Services (DSS). The STPP commenced in 2004.
- [Table 2](#) provides a breakdown of the total (16) by the trafficking type that originated from the state of South Australia;
- [Table 3](#) provides a breakdown by age of victims originating from the state of South Australia;
- [Table 4](#) provides a breakdown by gender of the victims that originated from the state of South Australia;
- [Table 5](#) provides a breakdown by nationality of the victims that originated from the state of South Australia;
- [Table 6](#) provides the immigration and/or citizenship status of victims that originated from the state of South Australia when placed on the STPP;
- [Table 7](#) provides a breakdown of victims that came to Australia on a visa from the state of South Australia;
- [Table 8](#) provides a breakdown of victims that obtained citizenship whilst in Australia on a visa from the state of South Australia.

***Table 1.** Number of suspected victims placed on the STPP in South Australia - 1/01/2017 – 1/08/2020*
