Dear s. 47F(1)

SkillSelect invitation

Thank you for submitting an Expression of Interest (EOI) in SkillSelect for Skilled Migration to Australia.

You are invited to apply for a 189 (PTS) visa. This invitation and the points score have been issued on the basis of the information you provided in your EOI. The Department has not yet assessed the claims in your EOI.

Being invited to apply for a visa does not guarantee that you will be able to make a valid visa application or that an application will be successful. Most skilled visas have requirements that must be satisfied at the date of invitation for a visa application to succeed.

Your invitation is valid for 60 calendar days from the date of this letter. It enables you to satisfy one of the requirements for making a valid application for a 189 (PTS) visa, provided the application is lodged **on or before** 30 Oct 2020.

As an invitation has been issued, this EOI is now locked and cannot be amended. If you need to amend this EOI, you can do so when it unlocks after 60 calendar days or, alternatively, you can create a new EOI. This invitation cannot be transferred to any other EOI.

Your invitation:

Refer to 189 (PTS) visa requirements on our website at <http://www.border.gov.au>.

If you are unable to provide the required documentary evidence in support of an application for a 189 (PTS) visa you have the option of letting this invitation lapse and revising your EOI when it is unlocked. Alternatively you can submit another EOI.

How to apply

To lodge a visa application for a 189 (PTS) visa, log into your EOI in SkillSelect and select the "Apply visa" button for your invited visa.

Hi s. 22(1)(a)(ii)

Please find attached what we are proposing for 189 and 491. I am happy with the occupations highlighted.

I would suggest we do a s. 47C(1) given the small number of specialists that are in SkillSelect.

Are you happy with this?

OFFICIAL Personal-Privacy

Hi s. 22(1)(a)(ii)

Following our discussion, I am proposing we invite the attached highlighted occupations (medical specialists only). Let me know if you would like to make changes to the list.

Going off the search function in SkillSelect, there are currently:

344 EOIs for subclass 189 that are:

- Selected medical specialists
- submitted
- 65 points and above
- Onshore and offshore

8 EOIs for subclass 491 that are:

- Selected medical specialists
- submitted
- 65 points and above
- Onshore and offshore

Given 491 numbers are so low, I have completed a search for 491 Nurses, which returned a result of 147 EOIs.

s. 22(1)(a)(ii) advised it is possible to invite different occupations for each subclass. Perhaps for 491, we invite medical specialists and Nurses?

Search exports are attached for your reference. Note – contains client information.

Kind Regards
