

# FOI Request FA 20/10/00296

The FOI request:

*'How many Newzeland applicants are included in skilled independent 189 visa which is of 6500 given in migration planning 2020-21'*

Response:

There is no specific planning level for the New Zealand pathway stream in the Skilled Independent category. Visas from both this stream and the Points Tested stream will be included in any outcomes for this category, noting that 6500 is a planning ceiling and not a target.
