### For-Official-Use-Only

Hi s. 22(1)(a)(ii)

We would like to run a bespoke invitation round for targeted occupations at the 6 digit ANZSCO level (list attached).

The invitation round will need to run by next Wednesday, 27 May 2020. Apologies for the tight turn around.

As per the regular batch run, invitations should be issued based on ranking – highest points score, followed by oldest date of effect.

Invitations are to be issued as follows:

- Subclass 189 = 500 invitations
  - Subclass 491(FSR) Family Sponsored = 100 invitations
- Total = 600 invitations**

We would like to use the standard invitation correspondence. For regular monthly rounds, we always run a test report. Would it be possible for you to provide a test report prior to running the round?

Please let me know if you require anything further, or if there is anything we need to do in the Program Manager portal.

Kind regards

Hi s. 22(1)(a)(ii) Thanks for the clarification regarding Australian residency, and MLTSSL occupations only.

I've prepared for the change now and have attached a report of expected invitation results based upon visa data as of today.

The attached is indicative – because visa scores and status may change before Wednesdays invitation run.

FYI, the May invitation round for subclass 189 and 491 (family sponsored stream) was run last night.

550 invites were sent for s/c 189 and 100 for s/c 491

An overview of the database before the round indicated the likely outcome:

- all invitees are onshore
- the points scores range from 70 to 105, with the vast majority scoring 85 and 90 points (column K in invitation recipients page – SubClassScore)
- more than half of the invitations will be issued to nurses (393), followed by other health sector professions.
- apart from medical professional, seven invitations are in the agriculture sector and nine in biochemistry/biotechnology.

FW: New Program Year - SkillSelect [DLM=For-Official-Use-Only]

Hi All

I realise that everything is very up in the air re Migration Program etc, but I am told that around this time each year we receive information from policy to input into SkillSelect so that we can run invitation rounds and States and Territories can nominate out of SkillSelect.

Below is a list of what we normally receive. I am not sure which area of policy usually provides this to us so I am spamming you all!

We would need something by 20 June at the latest as the occupation ceiling percentages are quite complicated to calculate for input into SkillSelect.

Thanks

**For-Official-Use-Only**

Hi s. 22(1)(a)(ii)

We would like to run a bespoke invitation round for targeted occupations at the 6 digit ANZSCO level (list attached).

The invitation round will need to run by next Wednesday, 27 May 2020. Apologies for the tight turn around.

As per the regular batch run, invitations should be issued based on ranking – highest points score, followed by oldest date of effect.

Invitations are to be issued as follows:

- Subclass 189 = 500 invitations
- Subclass 491(FSR) Family Sponsored = 100 invitations

**Total = 600 invitations**

We would like to use the standard invitation correspondence. For regular monthly rounds, we always run a test report. Would it be possible for you to provide a test report prior to running the round?

Please let me know if you require anything further, or if there is anything we need to do in the Program Manager portal.

Kind regards

H s. 22(1)(a)(ii)

I've attached a report of indicative invitations for the 11<sup>th</sup> June round, and two sample correspondences for each visa subclass. That report is labelled 'invitations'.

In summary, we'll generate (100) 189 invitations, and (26) 491 invitations. The target of (100) 491 invitations is falling short because there are insufficient IMs that meet the requirements (residing in Australia, for the given occupations, visa score of 65 or greater).

I have noticed that an additional (4) invitations would be generated for 491, for the occupation Biomedical Engineer (Other Engineering Professionals group), if the invitation ceiling for Other Engineering Professionals was increased from current setting of 237, to 323. This is because we've already reached 237 invitations this financial year for that occupation group.

If you made that revision prior to this invitation round, a total of (30) 491 invitations would instead be generated.

Released by Department of Home Affairs  
under the Freedom of Information Act 1982

For your interest, I included a second report, based upon increasing the 189 invitation target to (170), and increasing the invitation ceiling for Other Engineering Professionals to (323). That report is labelled 'invitations for 170 189'. Those changes result in (170) 189 invitations, and (30) 491 invitations.

Dear **S. 47F(1)**

**SkillSelect invitation**

Thank you for submitting an Expression of Interest (EOI) in SkillSelect for Skilled Migration to Australia.

You are invited to apply for a 189 (PTS) visa. This invitation and the points score have been issued on the basis of the information you provided in your EOI. The Department has not yet assessed the claims in your EOI.

Being invited to apply for a visa does not guarantee that you will be able to make a valid visa application or that an application will be successful. Most skilled visas have requirements that must be satisfied at the date of invitation for a visa application to succeed.

Your invitation is valid for 60 calendar days from the date of this letter. It enables you to satisfy one of the requirements for making a valid application for a 189 (PTS) visa, provided the application is lodged **on or before** 12 Sep 2020.

As an invitation has been issued, this EOI is now locked and cannot be amended. If you need to amend this EOI, you can do so when it unlocks after 60 calendar days or, alternatively, you can create a new EOI. This invitation cannot be transferred to any other EOI.

**Your invitation:**

##TableSponsored

**S. 47F(1)**

If you proceed to lodge a visa application you must provide documentary evidence of the claims made in your EOI as well as other supporting information. If information within your EOI is incorrect, any visa application you make may be unsuccessful.

Refer to 189 (PTS) visa requirements on our website at <http://www.border.gov.au>.

If you are unable to provide the required documentary evidence in support of an application for a 189 (PTS) visa you have the option of letting this invitation lapse and revising your EOI when it is unlocked. Alternatively you can submit another EOI.

### How to apply

To lodge a visa application for a 189 (PTS) visa, log into your EOI in SkillSelect and select the "Apply visa" button for your invited visa.

You will be required to create an ImmiAccount. Your ImmiAccount user name and password must be different to your EOI username and password. You can then apply for a 189 (PTS) visa online.

Carefully review the visa and documentary requirements for a 189 (PTS) visa at <https://immi.homeaffairs.gov.au/visas/working-in-australia>

Yours sincerely

Dear **S. 47F(1)**

**SkillSelect invitation**

Thank you for submitting an Expression of Interest (EOI) in SkillSelect for Skilled Migration to Australia.

You are invited to apply for a 189 (PTS) visa. This invitation and the points score have been issued on the basis of the information you provided in your EOI. The Department has not yet assessed the claims in your EOI.

Being invited to apply for a visa does not guarantee that you will be able to make a valid visa application or that an application will be successful. Most skilled visas have requirements that must be satisfied at the date of invitation for a visa application to succeed.

Your invitation is valid for 60 calendar days from the date of this letter. It enables you to satisfy one of the requirements for making a valid application for a 189 (PTS) visa, provided the application is lodged **on or before** 30 Oct 2020.

As an invitation has been issued, this EOI is now locked and cannot be amended. If you need to amend this EOI, you can do so when it unlocks after 60 calendar days or, alternatively, you can create a new EOI. This invitation cannot be transferred to any other EOI.

**Your invitation:**

**S. 47F(1)**

Refer to 189 (PTS) visa requirements on our website at <http://www.border.gov.au>.

If you are unable to provide the required documentary evidence in support of an application for a 189 (PTS) visa you have the option of letting this invitation lapse and revising your EOI when it is unlocked. Alternatively you can submit another EOI.

### How to apply

To lodge a visa application for a 189 (PTS) visa, log into your EOI in SkillSelect and select the "Apply visa" button for your invited visa.

You will be required to create an ImmiAccount. Your ImmiAccount user name and password must be different to your EOI username and password. You can then apply for a 189 (PTS) visa online.

You are invited to apply for a 189 (PTS) visa. This invitation and the points score have been issued on the basis of the information you provided in your EOI. The Department has not yet assessed the claims in your EOI.

Being invited to apply for a visa does not guarantee that you will be able to make a valid visa application or that an application will be successful. Most skilled visas have requirements that must be satisfied at the date of invitation for a visa application to succeed.

Your invitation is valid for 60 calendar days from the date of this letter. It enables you to satisfy one of the requirements for making a valid application for a 189 (PTS) visa, provided the application is lodged **on or before** 20 Dec 2020.

As an invitation has been issued, this EOI is now locked and cannot be amended. If you need to amend this EOI, you can do so when it unlocks after 60 calendar days or, alternatively, you can create a new EOI. This invitation cannot be transferred to any other EOI.

**Your invitation:**

##TableSponsored

**S. 47F(1)**

If you proceed to lodge a visa application you must provide documentary evidence of the claims made in your EOI as well as other supporting information. If information within your EOI is incorrect, any visa application you make may be unsuccessful.

Refer to 189 (PTS) visa requirements on our website at <http://www.border.gov.au>.

If you are unable to provide the required documentary evidence in support of an application for a 189 (PTS) visa you have the option of letting this invitation lapse and revising your EOI when it is unlocked. Alternatively you can submit another EOI.

### How to apply

To lodge a visa application for a 189 (PTS) visa, log into your EOI in SkillSelect and select the "Apply visa" button for your invited visa.

You will be required to create an ImmiAccount. Your ImmiAccount user name and password must be different to your EOI username and password. You can then apply for a 189 (PTS) visa online.

Carefully review the visa and documentary requirements for a 189 (PTS) visa at <https://immi.homeaffairs.gov.au/visas/working-in-australia>

Yours sincerely
