- Written and Oral assessments were not separated until Intake 3, 2019 – prior to this date pass rates for the written assessment, by qualification, were not reported.
- The meaning of the specification “written exam only” is unclear in the context, however is interpreted to mean the number of candidates attempting/passing the written component of the Capstone assessment irrespective of the oral assessment component data.
- The number of candidates attempting the written component of the Capstone is the same as the number attempting the Capstone as reported in the OMARA table.
