FA 21/02/01337

The total amount spent on external information technology (IT) contractors for the 2019-20 financial year, as well as the total number of external IT contractors employed in 2019-20.

Response :

The total amount spent on external information technology (IT) contractors for the 2019-20 financial year was \$184.5m.

The total number of external IT contractors utilising the Department's time sheeting system across the financial 2019-20 was 955. Those IT contractors not required to use the department's system to record time are not included. This calculation is based on head count.
