

Freedom of Information Request: FA 21/03/00803

Number of nomination applications for visa subclass 186 Employer Nomination Scheme(ENS), Temporary Residence Transition (TRT) stream and Direct Entry stream (DE), lodged between 1 July 2020 and 28 February 2021, and the number of those refused and approved

Note:

- The data was obtained from the most recent **BP0013 Global Temporary and Permanent Visas – Nominations (monthly)** report
- The data was obtained from the BP0013 report for the activity period 1 July 2020 to 28 Feb 2021 (program year to date)
- The data on ENS Nomination (TRT) stream is from two ICSE Service Descriptions: ENS Nomination (TRT) (non-regional) and ENS Nomination (TRT) (regional)
- Data relating to nomination applications approved and refused from the sample group cannot be obtained as the reports are based on outcomes for a period, and not based on outcomes of the applications lodged within a period.

Response

The number of ENS 186 Temporary Residence transition (TRT) stream “nomination” applications lodged between 01 July 2020 and 28 February 2021 is 3,203

The number of ENS 186 Direct Entry (DE) stream “nomination” applications lodged between 01 July 2020 and 28 February 2021 is 3,369
