

FOI REQUEST FA 21/03/00953

a) PPV (subclass 866), specifically the number of applicants not granted a final Protection Visa that have yet to be deported, disaggregated by state to date OR 2019 & 2020 calendar years:

PPV (subclass 866) applicants not granted a final Protection Visa who have yet to depart Australia as at 6 April 2021 by state*	
State	
NSW	27,967
VIC	20,970
WA	3,991
QLD	2,571
SA	1,254
ACT	428
NT	170
TAS	80
Other**	518
Total	57,949

* Includes all people who have applied for a protection visa in Australia since 1994 who, at the end of the period, were in Australia and had: not been granted a protection visa, not been removed under the Migration Act, or departed Australia voluntarily, and were either an unlawful non-citizen or held a bridging visa. The figure includes persons who were seeking merits review of their protection visa refusal at the Administrative Appeals Tribunal or were seeking judicial review.

- State is based on non-citizen's address details recorded in Departmental systems.

** Other includes addresses recorded at offshore locations and addresses not recorded.

Note: Data sourced from Public Information & Reporting Section. As information has been drawn from a dynamic source, any historical figures provided may differ slightly in previous or future reporting.
