Notes:

Figures were extracted from Departmental systems on 13 May 2021. As data has been drawn from a live systems environment the figures provided may differ slightly in previous or future reporting.

With regards to immigration data, the Department's current policy is to mask numbers which are less than five as <5, noting we are reviewing the confidentiality method for the future.

We are only able to provide citizenship at the time of departure and not the country they were removed to.
