

Freedom of Information Request: FA 21/06/00581

Scope

I request to seek information about the number of Visa granted in comparison to visa refusals for Student visa applications for family members to join the main applicant in Australia from offshore since February 2021. It would help me gauge the situation better and help us to have a clear understanding of what the current scenario is for the applicants waiting for or willing to apply for a Dependent visa.
