

FOI request FA 21/06/01127-R1

How many temporary/provisional visa holders from India have an in-effect visa outside Australia by Primary and Secondary applicants. Subclasses included in this request are subclass 600, subclass 500, subclass 485, subclass 489, subclass 491, subclass 476, subclass 457, subclass 482, subclass 300, Bridging visa A and Bridging visa B.

The data provided is only for visa holders who are outside Australia. It includes those visa holders who have been granted a visa and never travelled. It also includes those who have been granted a visa previously, travelled to Australia but then travelled outside Australia again. The data below does not include visa holders in Australia as at the date indicated.

Visa Subclass (Visa Holders)	23/06/2021
300 Prospective Marriage	39
