**Additional notes:**

- *The above statistics are based on entries relating to protection claims as recorded in Departmental systems.*
- *Due to system limitations there may be other cases where family violence protection claims were made, but not recorded as the primary claim (and therefore not captured in this data).*
- *Data relating to family violence was not captured in departmental systems in 2010-11 to 2012-13.*

Caveats:

- *Regarding Immigration data, the Department's current policy is to mask numbers which are less than five as <5, noting we are reviewing the confidentiality method for the future.*
