Question:

Lodged, granted, and refused travel exemption numbers for the month of June 2021.

Response:

Between 1 and 30 June 2021:

32,021 requests for an outwards travel exemption were received

14,517 outwards requests were approved

10,150 outwards requests were refused

25,036 requests for an inwards travel exemption were received

4,125 inwards requests were approved

11,860 inwards requests were refused

Notes:

- i. *An individual may submit more than one request*
- ii. *The sum of approved and refused requests may not equate to the total number of requests received in the same period, as requests may be otherwise finalised (persons found to meet an already exempt category, withdrawn requests, or requests that did not contain sufficient information for referral to a decision maker), or received or finalised outside the reporting period.*
