I'm currently looking for EOI assessment done positively for Global talent Independent program. It is related to the UID number provided after the EOI is assessed.

Response:

Note 1: Primary candidates only for invitations.

Note 2: Primary and secondary applicants for visa data.

Note 3: Data for program year 2021-2022 - 1 July to 1 October 2021.

Note 4: As data is drawn from a dynamic environment, the information is correct at the time of publication and figures may differ slightly from previous or future reporting.

The Global Talent Independent program, for program year 2021-2022, there have been 732 invitations sent (that have unique identifiers), and 2,409 visa grants - for the time period 1 July to 1 October 2021.

There are 15,000 places available for the program year, however, this is visa places not invitation under the program. Invitation are for primary applicants only and Migration program places are primary and secondary applicants. There is no defined number of invitations each program year.
