## Note:

1. Partner visa applications involve a two stage process, and the two applications must be lodged together. That is, the offshore Partner (Provisional) (subclass 309) visa is lodged with the Partner (Migrant) (subclass 100) visa; and the onshore Partner (Temporary) (subclass 820) visa is lodged with the Partner (Residence) (subclass 801) visa. The two applications are counted separately, and in the majority of cases decided at different times.

2. As data is drawn from a dynamic system environment, the information is correct at the time of clearance and figures may differ slightly from previous or future reporting.
