

## Freedom of Information Request: FA 21/10/00909

Application outcome where the applicant was represented by a Registered Migration Agent					
	Data				
Visa Subclass	Sum of Granted / Approved	Sum of Refused	Sum of Withdrawn	Sum of Otherwise Finalised	Sum of Grant Rate
500 Student - 1Jul2018-30Jun2019	61315	6485	1254	401	90.4%
500 Student - 1Jul2019-30Jun2020	65972	6027	1844	390	91.6%
500 Student - 1Jul2020-30Jun2021	60806	1931	3203	1032	96.9%

Note: This report only allows reporting over a discrete 12 month period therefore, there is no data for the 21/22 YTD period

Note: Visa granted and visa refused where the application is unrepresented or represented by a person who is not a registered migration agent, the data cannot be produced due to the need to develop new code.

Visa applications finalised between 1 November 2020 and 31 October 2021 where Migration Agent was used.			
Visa Subclass	Granted	Total	
		Refused	
189 Skilled - Independent	1730	29	
190 Skilled - Nominated	5944	65	

Visa applications finalised between 1 November 2019 and 31 October 2020 where Migration Agent was used.			
Visa Subclass	Granted	Total	
		Refused	
189 Skilled - Independent	2112	27	
190 Skilled - Nominated	5525	66	

Visa applications finalised between 1 November 2018 and 31 October 2019 where Migration Agent was used.			
Visa Subclass	Granted	Total	
		Refused	
189 Skilled - Independent	5871	133	
190 Skilled - Nominated	4210	80	

Visa applications finalised between 1 November 2017 and 31 October 2018 where Migration Agent was used.			
Visa Subclass	Total		
	Granted	Refused	
189 Skilled - Independent	4108	105	
190 Skilled - Nominated	3476	83	

Note 1: Grant rate is a calculation based on the number of cases granted divided by the sum of granted and refused

Note 2: A finalised case is based on the initial finalisation

Note 3: Where a cases involved more than registered migration agent, then each registered migration agent is counted once for each case

Note 4: Only includes cases where a MARN is recorded in ICSE

Note 5: Age of the visa applicant is based on the report date

Note 6: Grant Rate is based on the number of applications granted divided by the sum of applications granted and refused

Note 7: Data on visa applications with registered migration agents associated is only available in 12 month blocks and is why the response is provided as below. It means data could not be provided for the months of July and August 2018 only, and is encompassed in the reporting for the 1 November 2017 to 31 October 2018 period.
