Freedom of Information request - FA 21/11/00464

Request:

The number of persons who have entered Australia since 1 January 2020, where the persons are either alleged and/or suspected to be involved with activities which could result in the persons generally being labelled as a 'Foreign Fighter' or 'a person who has aided or supported similar activities' if they were to be convicted of relevant offences within Australia.

Please categorise the data by the state or territory they were relocated to and the country departed from previous to entering Australia.

Response:

Less than five Australians of counter-terrorism interest have returned to Australia since 1 January 2020.
