

Freedom of Information Request FA 21/11/01093

Request:

How many 143sc visa applications in May 2016 are still to have a decision determined, i.e are still being processed. I understand there were 1,157 143 applications made in May 2016 - how many of these are still being processed.

Response:

As at 31 October 2021, there were **161 Contributory Parent** (Subclass 143) visa applications remaining on hand of the 1,157 Contributory Parent (Subclass 143) visa applications lodged in May 2016.
