

FOI Request FA 21/12/00284

Questions:

- 1) I would like to know the number of citizenship applicants who are waiting to complete the citizenship ceremony, residing in Ku-ring-gai Council, NSW. Please consider only applicants who were approved on or before 07/12/2021.
- 2) Further, if it is possible, I would also like to know how many people will be invited to attend their citizenship ceremony each time in Ku-ring-gai.

Answers:

- 1) The Department cannot report on approved applicants residing in a council area as this information is not captured in our reporting systems. The Department is able to report on applicants who have selected Ku-ring-gai Council for their citizenship ceremony:

As at 10 December 2021, there were 182 people whose application for Australian citizenship by conferral had been approved on, or before, 7 December 2021, and who had selected Ku-ring-gai Council (NSW) as their preferred ceremony location.

- 2) There is no set number of people who are invited to attend a citizenship ceremony hosted by local government councils.
