	30/11/2022	7
	31/12/2022	10

Table 2: Number of visa grants for visa subclasses 103 (Parent), 143 (Contributory Parent), 804 (Aged Parent) and 864 (Contributory Aged Parent) – year to date to 31 January 2023		
	31/01/2023	8
Total		59
Grand Total		4,545

The Department's suite of reports does not contain information on the number of Contributory Parent (Temporary) (Subclass 173 or 884) visa applications that have "switched" to a Contributory Parent (Permanent) (Subclass 143 or 864) visa application.

Notes:

1. Source: Department of Home Affairs (internal documents).

Caveat:

- Current program year figures are subject to variation. The data is sourced from our global Departmental systems. There can be delays in transmission of information, therefore data for current program year should always be considered provisional.
- Regarding immigration data, the Department's current policy is to mask numbers which are less than five as <5, noting we are reviewing the confidentiality method for the future.
