Hi s.22(1)(a)(ii)

As mentioned, please see attached updated WofG TP's for NZYQ.

The substantive change to this document is bringing the language in line with how reporting of the NZYQ cohort will be handled going forward – removing reference to any specific numbers, whether that be number of releases, individuals on a BVR with the specific special conditions, or individuals with monitoring bracelets fitted, in addition to a further review and tightening of the TP's in general.

Happy to discuss of course

Best,
s.22(1)(a)(ii)
