Notes:

1. Source: Department of Home Affairs
2. Includes both primary and secondary applicants.
3. The data reported in the response is dynamic and is based on the latest data available as at 31 March 2025.

Caveats:

- This information is provided for the specific purpose of this request. Any other use of the information provided will require consideration and clearance by Data Division, and a separate request should be made to data clearance.
- It is the responsibility of the area providing Department of Home Affairs information to external stakeholders to ensure that the disclosure is in accordance with the ABF Act, Australian Privacy Principles or other relevant legislation.
- With regards to Immigration data, the Department’s current policy is to mask numbers which are less than five as <5, noting we are reviewing the confidentiality method for the future.
- Current program year figures are subject to variation. The data is sourced from our global Departmental systems. There can be delays in transmission of information, therefore data for current program year should always be considered provisional.
