2. The number of calls received by the National Security Hotline that required referral to CVE programs, since 2019

Since 1 July 2023, only six individuals referred to an LSTIP program came via the National Security hotline. Not all were deemed suitable for the CVE Program. Home Affairs is unable to confirm whether referrals by law enforcement agencies also includes reports from the National Security Hotline.

Notes:

1. Source: Department of Home Affairs (internal documents)
2. The data model came into effect in the 1st of July 2023, 230 clients have been captured in the program, including those that started and remained in the program prior to the data model. The data does not include those who exited the program between 2019 and 1st July 2023, noting that data is reported to Home Affairs on a quarterly basis. This data does not include individuals who did not sign into a program or were deemed unsuitable.
