Caveats:

- *This information is provided for the specific purpose of this request.*
- *The above data for arrivals does not count multiple arrivals by the same person during the report period.*
- *Data has been extracted from a dynamic Departmental system. Comparisons to any data obtained from any other systems or reports, with any variation to rules or filters applied, at any other point in time, should expect a variation in results. The data provided is point-in-time data and may change as records are amended at a later date due to refinement of results or correction of input errors.*
