Example of calculating and filling occupation ceilings – 2339 Other Engineering Professionals

There were 16,155 *Other Engineering Professionals* in Australia at the end of 2024/25 according to the average of ABS employment stock figures. *Other Engineering Professionals* are a Tier 3 occupation with a multiplier of 1.0%.

The occupation ceiling for *Other Engineering Professionals* in 2025/26 would be 500 visa grants (i.e. $16155 \times 1.0\% = 165$ visa grants, however as this is below 500, the minimum ceiling of 500 is applied).

There were 1,180 visa grants in 2024/25 to *Other Engineering Professionals* across the Employer Nomination Scheme, Skilled Nominated Program and Regional Provisional Programs.

This leaves 0 visa grants available to the Skilled Independent (Subclass 189) program for *Other Engineering Professionals* in 2025/26.

Notes:

1. Source: Department of Home Affairs
2. Occupation data only applies to primary applicants
3. Grants data is reported by month only, therefore data provided in the response is the most up-to-date available up to and including 30/11/2025

Caveats:

- This information is provided for the specific purpose of this request.
- Regarding Immigration data, the Department's current policy is to mask numbers which are less than five as <5.
