### 3.4.4. Adding and removing approved applicants to/from a ceremony group and checking Linking Groups

A list of approved applicants is available from the Ceremony Allocation Report that is emailed to STO ceremonies teams weekly. ACCP also displays the number of approved applicants who are available for ceremony. Only approved applicants who are available for ceremony can be added to a ceremony group.

s.22(1)(a)(ii)

Approved applicants who indicated prior to ceremony that they wish to attend a ceremony with another approved applicant, such as a family member, must be 'linked' through a Linking Group to ensure they are all allocated to the same ceremony group. It is important to note that all applicants who request to be linked must reside in the same council because applicants should not attend a ceremony in another council.

**Note:** Approved applicants who are linked with another applicant that has not yet been approved, will not be available to be added to a ceremony group until the other applicant has been approved.

For guidance on how to link applicants refer to ACCP Guidance – Section 4 *Linking Groups* available on the Citizenship Ceremonies SharePoint page.
