Notes:

1. Source: Department of Home Affairs (internal documents)
2. Australian Register of Therapeutic Goods (ARTG) numbers are typically not recorded against these imports.
3. The Goods Description field often does not specify the tablet strength, whether the goods are tablets or capsules, or whether they are packaged in bottles or blister packs.
4. The summary table represents a count of import lines for each specified brand, broken down by year and importer name.

Caveats:

- Data has been extracted from the dynamic Departmental system (ICS) on 24SEP26. Comparisons to any data obtained from any other systems or reports, with any variation to rules or filters applied at any other point in time should expect a variation in results;
- The Australian Border Force is not responsible for any analysis or transformation of the data by the requestor or user.
- To the extent permitted by law, the Commonwealth excludes all liability for loss or damage arising from the use of, or reliance on, the information contained whether or not caused by any negligence on the part of the Commonwealth or its agents.
