Notes:

- Data provided in the response is the most up-to-date available up to and including 6/12/2024
- Only includes Global Talent (Independent) visa stream under subclass 858, and therefore does not included any applications under the Global Talent pathway in subclass 124 and/or applications that were tagged as Global Talent after an application for another Skilled subclass
- The sector information for grants with 'Other' and 'Not reported' is not available in readily accessible reporting, and would need custom code to be able to specify, therefore the Department is unable to provide further details as per s17 of the FOI Act

Caveats:

- This information is provided for the specific purpose of this request. Any other use of the information provided will require consideration and clearance by Data Division, and a separate request should be made to data clearance.
- It is the responsibility of the area providing Department of Home Affairs information to external stakeholders to ensure that the disclosure is in accordance with the ABF Act, Australian Privacy Principles or other relevant legislation.
- Regarding Immigration data, the Department's current policy is to mask numbers which are less than five as <5, noting we are reviewing the confidentiality method for the future.
