15 As a body approved by the Minister for Immigration and Border Protection (in an instrument in writing) for the purposes of regulation 5.19 (4) I have assessed the nomination referred to in this document against the following requirements:

- there is a need for a paid employee in the nominated position within the business activities of the nominating employer;
- the nominated position cannot be filled by an Australian citizen or Australian permanent resident who is living in the same local area as the nominated position; and
- the terms and conditions of employment that are applicable to the nominated position will be no less favourable than the terms and conditions that are or would be provided to an Australian citizen or Australian permanent resident for performing equivalent work in the same workplace at the same location.

My advice is that the nomination:

satisfies

does not satisfy

the above requirements.
